---------	---------------------------------------	-----------	------------------

Officials are required to attend **70%** of regular Chapter Meetings*. ***Veteran officials have a 5 Meeting Requirement this season (reduced from 7)***. In an effort to have the veteran officials prepared for the season the "regular" Chapter Meetings will be concluded by the end of August. We are offering some "Optional" Informational Meetings that will be driven from an "Open Forum" format with plenty of discussion and Q & A in Sept. and Oct.

New Officials have a 5 Meeting Requirement. New Officials also have "New Officials" Training in July.
